FLECK'S DEPENDABLE BULBS

Fleck's Craft Lilies

Finest True Strain, Highest Bud Count

(Washington State Grown)

Those who already know our brand of these fine Lilies, always reorder the following year. There must be a reason. Cultural directions sent with order or on request.

**A House of Fleck's Craft Lilies Just Before Easter, 1950.
Note high bud count.**

The following is typical of many letters we receive:

From North Jersey

Bulbs were fine. Had 1000 blooms on the 250 bulbs.

I potted them December 20, and they came in just right. 24 inches high from top of pot.

I want a case of 250 for 1951.

From Rhode Island

Last years' 7/8's were beautiful. We realized 100% perfect blooms. Hit Easter right in time. Send 2 cases this year.

Order now for Easter 1951 forcing. Also for shipments from cold storage—December through April for continuous cuts next Spring and Summer.

As Easter is early next year, all our Craft will be precooled, unless you tell us not to—prior to October 10. Precooling charge \$1.35 per case.

CORSAGE AND WEDDING ACCESSORIES

TAB KLIP (Kaber)

Any piece of costume jewelry, bracelets, combs, tiaras, or necklaces can easily be made a support for a corsage with this Klip, which is attached by bending side tabs A-A around it before the corsage is fastened. By leaving the Klip flat it may be sewed on a muff, fan, gloves, hat, dress or a coat. Package of 25 for \$1.00.

H-R KLIP (Kaber)

Often a heavy corsage when used with pins ruins a delicate dress, or the holes left by the pins remain in some materials. Insecticides, Fumigants, Fungicides, Damping Controls, Etc.

For Every Purpose in Greenhouse and Outdoors

Since florists must use insecticides, many of them harmful, we strongly recommend the use of masks and goggles in the greenhouse and to be careful not to get any dusts or solutions on hands with open cuts, etc. Your health is of first importance.
